

NEVADA STATE CERTIFICATION IN ENVIRONMENTAL EDUCATION & INTERPRETATION

Want to Bring Stories to Life?

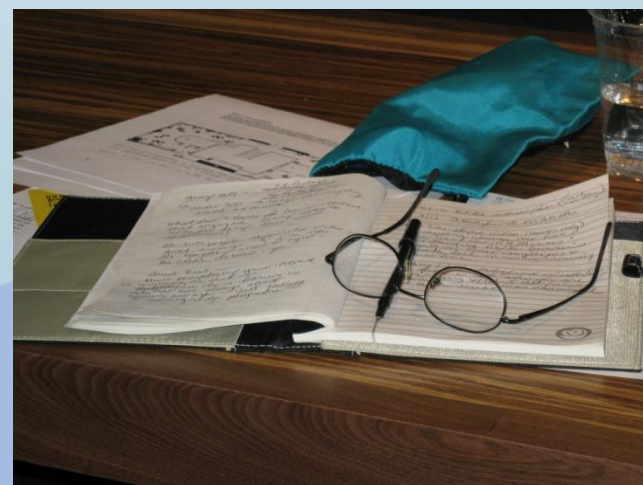

The Nevada State Certification in Environmental Education and Interpretation (EE&I) prepares you with the knowledge, practical skills, and experiences for work in public land areas, museums, zoos, aquaria, and other nature and heritage rich places.

Whether you're new to the field or already an environmental or informal education professional, the program will add to your skills and equip you with tangible credentials.

EE&I

What To Expect

- Hands-on, engaging courses
- One-on-one coaching by trained mentors
- Innovative experiences created and delivered for a variety of audiences
- Assessment to ensure successful experiences and outcomes
